### Guest Parking:

Burnham's guest parking space is located adjacent to our office building. The space is marked "BBIS" and reserved spot 4.

### Parking Structure (if guest spot is not available):

The parking structure is located behind the office building off Bixby. Take a ticket upon entering the structure. Your parking will be validated by Burnham Benefits. Upon leaving the structure, validation tickets are fed into the Pay in Lane ("PIL") machine. After first inserting your parking ticket, the PIL station calculates the fee and will prompt your charge on the display. You will then feed the machine your validation ticket(s) to open the gate.
